Detroit Fluids Specification 93K218 Approved Oils List

Please Note: All Detroit Fluids Approved Product Lists are updated on a regular basis. To ensure you are viewing the latest revision, please visit the DTNA Portal website and select the desired list.

DISCLAIMER: Product registration means the manufacturer or marketer has faithfully collected information pertinent to the requirements of the specification and with the full intention to conform to the specification. However, it is still the responsibility of the manufacturer or marketer to ensure satisfactory performance of its products in all aspects at all times. Registration for Detroit Fluids Specification 93K218 does not waive the liability of the manufacturer or the marketer. DDC does not warrant the performance of non-DDC products, registered or not.
